REDEEMER

UNIVERSITY COLLEGE

THINK THEY CAN CHANGE THE WORLD? WE DO.

The world needs Christian difference-makers who bring the hope and love of Jesus Christ as they pursue their callings in health, business, science, art, social work and a host of other areas. The world needs the potential you see in your kids. We see it too.

At Redeemer, your son or daughter will grow through discipleship and learning, inside and outside of the classroom, developing their giftedness, their careers and every part of their lives as avenues to serve God. From the classroom to the convocation stage to careers and churches, our prayer is that they will have an impact that resounds in our culture and across the world.

DEAR REDEEMER PARENTS,

Welcome to the Redeemer community! We are excited that your son or daughter has chosen Redeemer University College, and we look forward to getting to know you and your student better over these next few years.

During your student's time at Redeemer, we want to be a resource to you and help you stay connected throughout the academic year. The best ways to do so are by subscribing to our parent eNews, and visiting Redeemer's website and social media platforms. We also look forward to having you join us at one of our school events such as a Royals home game, theatre production, concert or just for a visit! We trust this calendar of Redeemer events and activities will help you feel more connected and familiar with the activities happening on campus.

If there are other ways we can support you as a parent, please don't hesitate to reach out.

We look forward to connecting with you!
