

Parking Regulations

When parking on campus, please be careful to abide by the following parking regulations. This will help us to maintain orderly parking and traffic flow, and will help you to avoid unnecessary parking tickets.

General Rules

All students, faculty and staff who park a vehicle on Redeemer property must purchase a parking permit for the current academic year. These can be obtained from the security office for a \$50 fee (cash, cheque or proof of payment on student account). The valid parking permit must be clearly displayed on the dashboard or from the rear-view mirror of the parked vehicle facing the windshield.

All parking spaces marked 'Visitor' in the Courts are reserved for guests. Guests must check in with security and receive a temporary parking permit (free of charge).

Park only in the parking lot for which your permit is valid.

Do not park in the Academic South (paved) parking lot between the hours of 2:00 am and 6:00 am during the Academic year, and between 12:00 am and 6:00 am during the summer conference season. This includes over weekends, holidays and school breaks.

Do not leave your vehicle in the Academic South parking lot during a snow emergency. Vehicles impeding snow clearing operations may be towed away at owner's expense.

Do not park in any visitor parking space. This includes the Administration Visitor parking lot, which is reserved exclusively for visitor use.

Do not park in any space which is reserved for others.

Park properly between painted lines.

Vehicles parked in handicapped spaces must display a valid handicapped permit. Vehicles not displaying a valid handicapped permit will be towed at owner's expense.

Do not park in a 'No Parking' zone, fire route, bus route, or delivery access route.

Do not park or stop on any of the main roadways into and out of Redeemer property that are clearly marked No Parking or No Stopping. The law requires Redeemer University College to strictly enforce this rule.

Park only in the designated parking lots.

Parking permits are NOT TRANSFERRABLE and NOT REFUNDABLE. If there is a change of information i.e. license plate or vehicle information or change of address, please inform Security of the change(s) immediately.

If it is necessary to leave your vehicle overnight in the Academic South parking lot, you must first contact Security at 905-648-2139 ext 4444 or 905-961-4444 (cell phone). Any vehicle left overnight without notifying Security is subject to be ticketed by Redeemer and/or Hamilton Bylaw Officer.

Do not drive on any of the pedestrian walkways or on grass areas of the campus.

Any person found driving in a dangerous or reckless manner will be reported to Hamilton Police Services.

Reserved Parking

Parking spaces at Calvin, Luther and Cranmer Courts, and at Augustine Hall are reserved. Parking permits for these parking areas are reserved for RAs and Has on registration Day. Any remaining parking spaces that are vacant will be given to students living in those areas on a first come, first served basis. All students who do not possess a reserved parking permit will park in the Academic North parking lot.

Disabled & Derelict Vehicles

Any vehicle that is illegally parked due to mechanical problems must be immediately reported to Security. All vehicles parked on campus must be licensed, registered, insured, and maintained in operable condition. Derelict vehicles will be ticketed and /or removed from campus at the owner's expense.

Fines and Appeals

Redeemer University College Security works in co-operation with the City of Hamilton Parking Bylaw Enforcement to enforce these parking rules. Vehicles parked in violation of any of the parking rules will be ticketed. Parking tickets may be issued by the City of Hamilton, or by the Redeemer Security Department.

Tickets issued by the City of Hamilton are assessed at rates established by the City, and must be paid to the city. Redeemer University College has no jurisdiction over these tickets, and cannot accept appeals of these tickets.

Tickets issued by the Redeemer Security Department are assessed at \$25.00 per violation. Fines for Redeemer parking tickets must be paid in person at the General Office. Redeemer parking tickets may be appealed to the Parking Ticket Appeals Committee. Appeals must be made in writing within 7 calendar days of the ticket date. All decisions by the committee are final. Fines not paid within 7 calendar days of the ticket date or the date of appeal denial will be charged to the student's account by the Business Office and will be assessed an additional \$10.00 administration fee.
