

Sibling Weekend Schedule - October 20 to 22, 2017

Sibling weekend is an event that allows you to hang out with your sibling on a typical weekend at Redeemer. They'll get to eat and sleep in the dorms, join in on all the fun events, and put names and faces to all the fun stories you are telling your family. Please register online so that we are aware that your sibling is coming and can credit your dorm food card with money to cover the costs of your sibling eating in the dorms.

Notes:

Sibling weekend is geared towards siblings aged 12 – 17. Please talk to us if you would like to invite a sibling of a different age.

If your sibling is of the opposite gender, we ask that you arrange for them to sleep at a neighbouring dorm of their gender. If you would like help arranging this, talk to Micah or Kali and they would be glad to find a suitable dorm.

There is lots of free-time scheduled through-out this weekend. We also strongly encourage that you and your sibling participate in the events we have planned.

If you have questions, visit Student Life or email Micah at mvandijk@redeemer.ca
